

# Cubic4 Catcher™

## PRIZE CRANE FOR ALL THE FAMILY

Cubic 4 Catcher is a brand-new prize crane from Sega, the makers of the global sensation UFO catcher crane. Peek from above and try to catch the prizes! At just 1m (3.2ft) high this game features a transparent ceiling giving the player a unique birds eye perspective as they try to collect prizes.

The see-through cabinet design, attractive lighting and a play position on every side makes this a ideal centrepiece in any arcade and or Family Entertainment Centre.

- 4 player crane for kids
- Fresh and bright cabinet design
- Simple to operate
- Small footprint
