

HOUSE OF THE DEAD

SCARLET DAWN

DARE TO ENTER...

Step into the world of terror with House of the Dead Scarlet Dawn. This next-generation theatre cabinet plunges players into a chilling fight for survival with stunning graphics powered by the 'Unreal Engine 4'. Every zombie, character, and environment comes to life in astonishing detail, creating an unforgettable gaming experience. The cabinet appears alive, with zombies seemingly breaking free, while a hidden illuminated zombie head adds a jump-scare-worthy touch.
