

# NEON<sup>TM</sup> Bowling

## CLASSIC BOWLING

Classic Bowling is just like the traditional game you know and love! Enjoy the thrill of splits, spares, and strikes. With LED-lit pins and the option to play with up to four players, it's fun for everyone!

## NEON BOWLING

Neon Bowling has three exciting random minigames in five or ten-frame games, with chances for multipliers and extra balls.

## DIMENSIONS

Twin Lane with Floor and Seat

D 867 CM 340"  
W 214 CM 84"  
H 267 CM 105"

Single Lane

D 552 CM 217"  
W 102 CM 40"  
H 267 CM 105"

The player has three tries to knock down all the pins

Aim for the blue pin, which changes position every two seconds

Avoid the red pin and clear all blue pins in two tries

## FEATURES

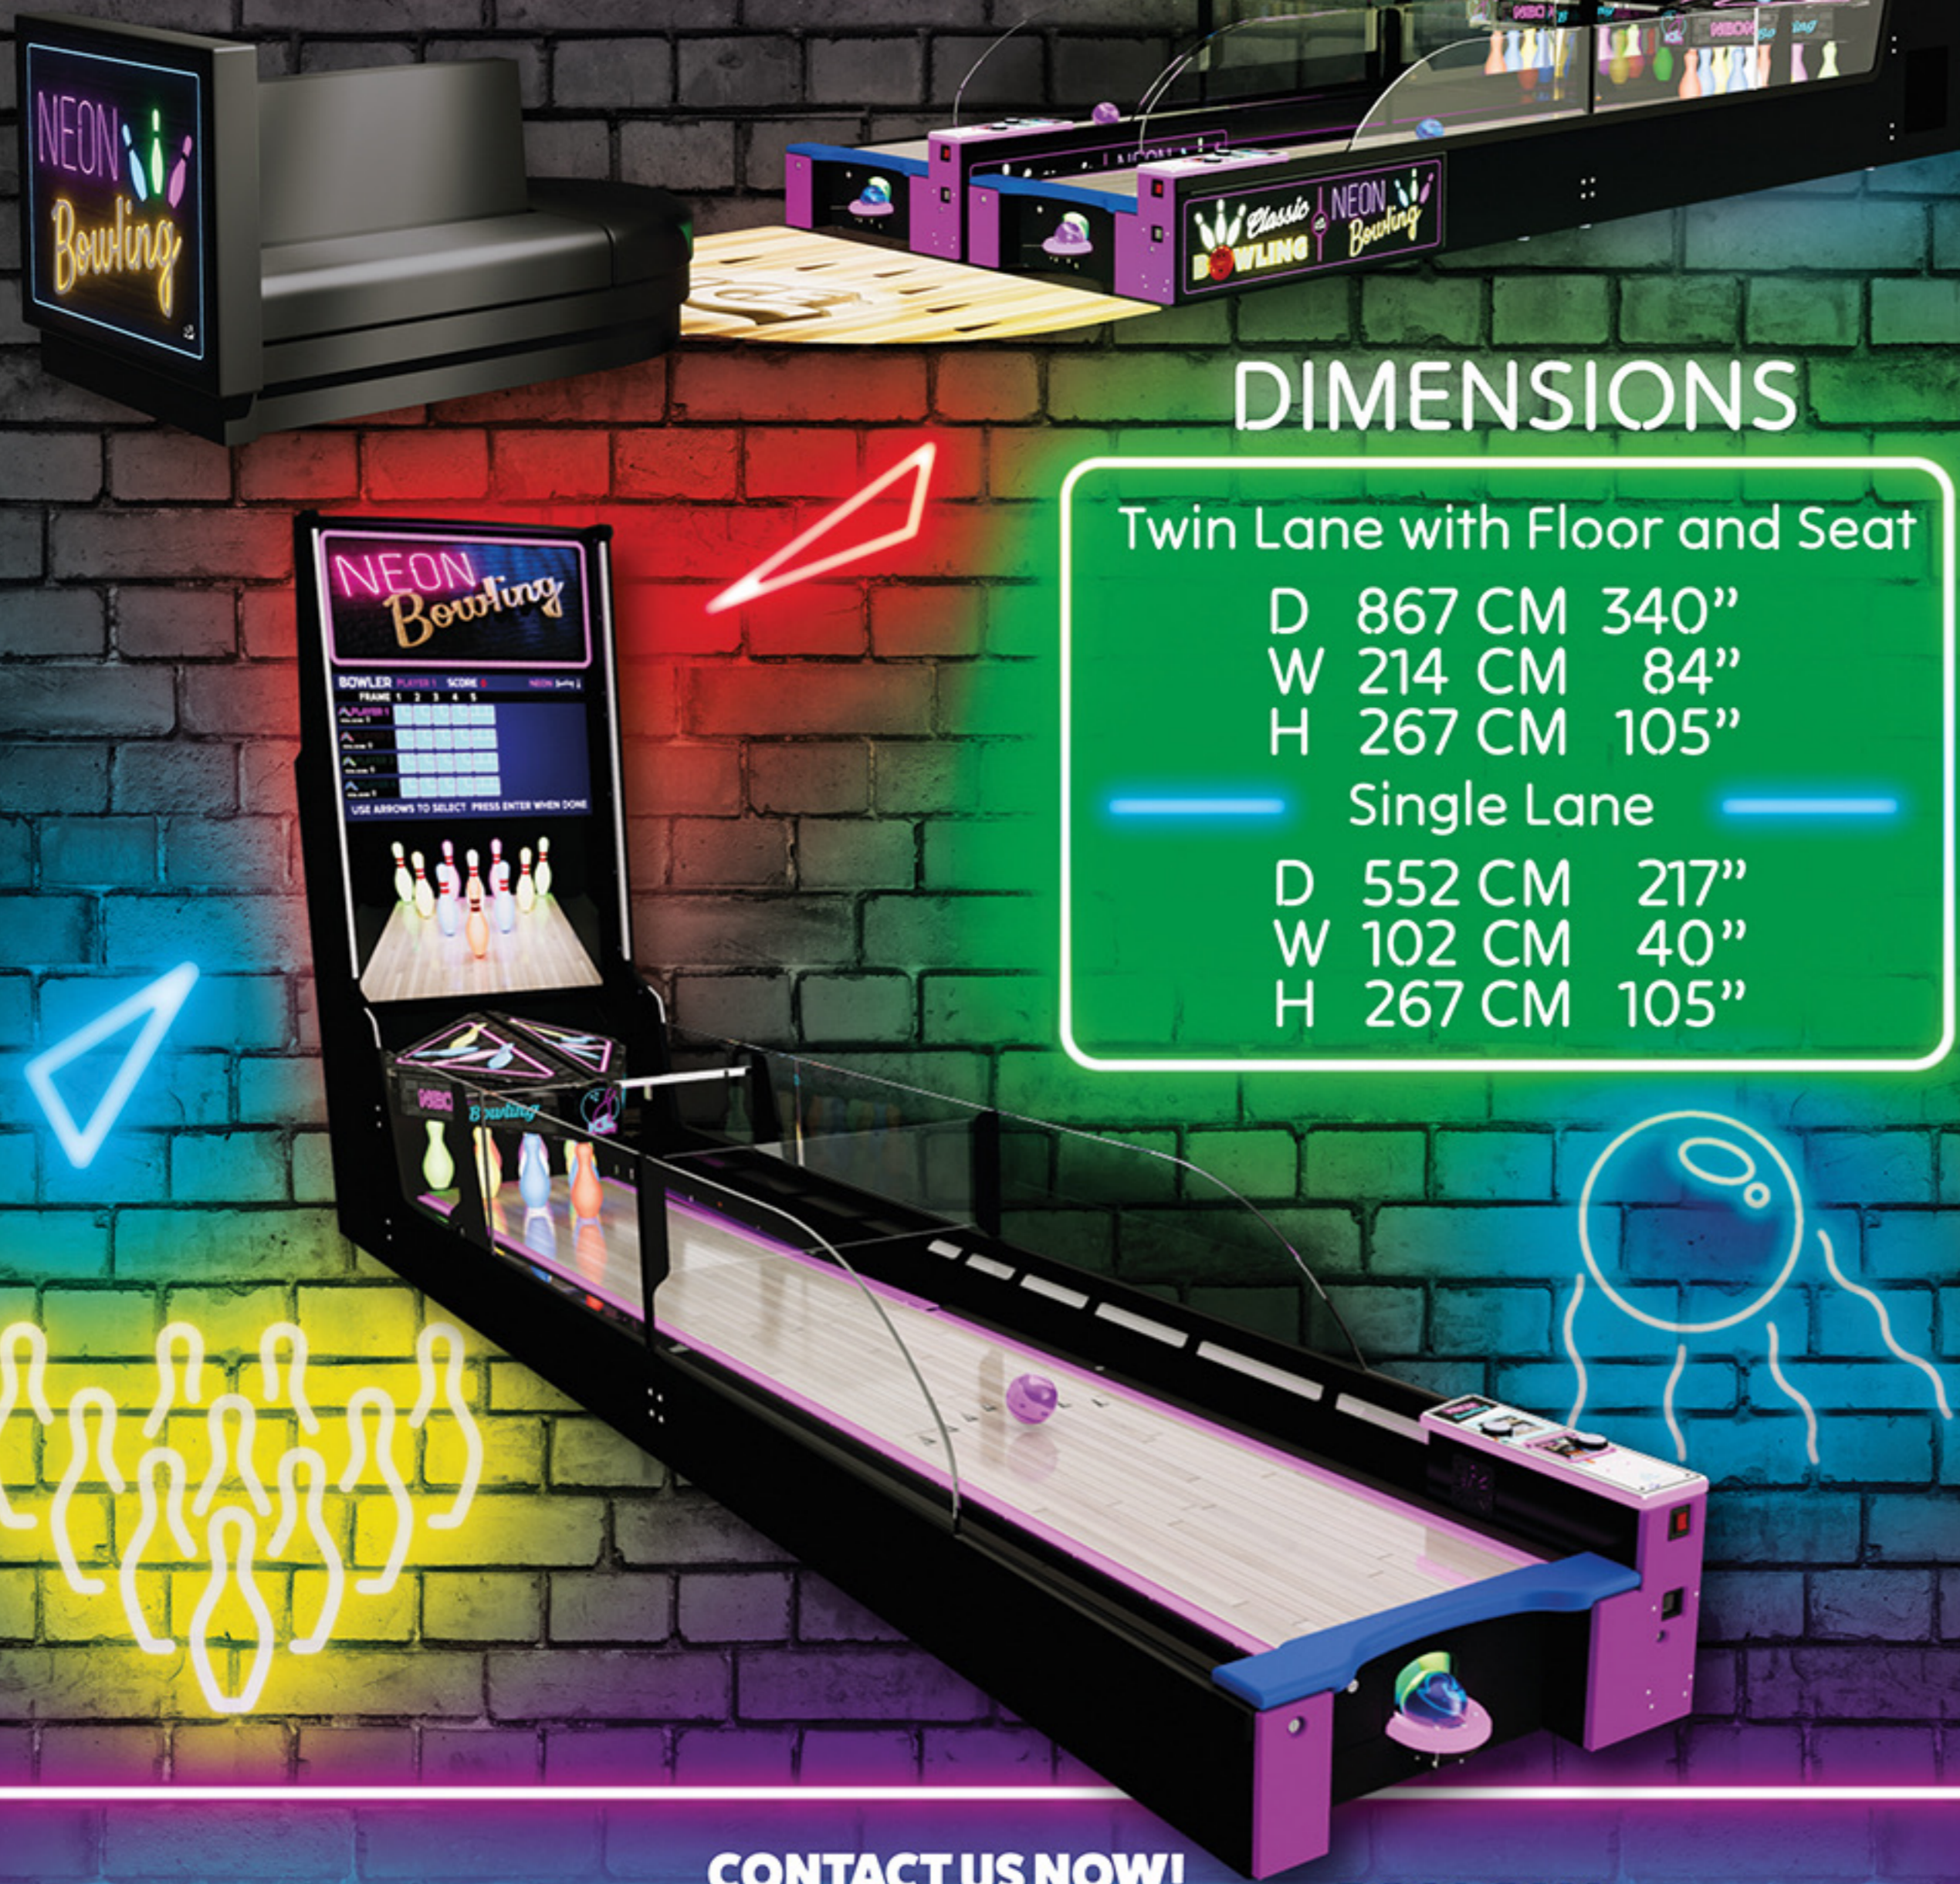

Players can choose how to pay and play. Up to 4 players join, and the number of frames per player is adjustable.

75" HD monitor protected by highly durable polycarbonate, the same material as riot shields.

Bring the lanes to life with vibrant, glowing features, including light-up pins, illuminated gutter rails, a glowing ball dispenser and a brilliantly lit podium.
